It was incredibly close meet against Cranbrook Swim Club but Woodside came up short again. Here are some statistics to give you an idea of just how close we were: There were 19 different swims that were decided by .4 of a second or less. Woodside only managed to snag 4 of those wins. It was a good lesson for the team: we have our work cut out for us in the weeks ahead.

This week, the **Coaches' Choice** award for excellence in exhibition or non-points swims goes to Peter Buescher who dropped 5 seconds in his 50 Breast and Lydia Rolf who dropped 9 seconds in her 50 free.

The **Spirit Award** goes to two of our older girls, Hayley Johnson and Annie Lazor. This time the award is not about cheering but more about true team spirit and commitment. Both Haley and Annie made huge efforts to make it to the meet because their team needed their strength and ability. Annie has been sick and actually climbed out of bed to swim. And Hayley shuffled her schedule to get to the pool. Oh, and for the record, Hayley Johnson has not missed a single Woodside Swim meet since she was EIGHT YEARS OLD! To us, this kind of effort from both girls is the definition of "Team Spirit." Thank you Annie & Hayley!

Awards are in the front office.

**You can find ribbons from prior meets in a "Ribbons Box" down in front of the Swim Team Bulletin Board.**

### **CONCESSION DONATIONS**

Okay Sun Devils, we know it has been intense, but there's only one more home meet and one more time we hit you up for Concession Donations. You all have done such a great job that we only need you to bring a FOOD donation. (We are all set on pop and water). So please check your email and sign up for a treat. Also, it really helps if donations are dropped off early – at Warm up. Thanks for a great job, team!
